GOLDEN EAGLE

If you're looking for the ultimate outdoor driving experience, look no further than the new Golden Eagle™. In a class all its own, the Eagle's stylish yet rugged, off-road design is built for high performance and maneuverability with front and rear suspension for smoothly traversing outdoor terrain and a powerful 140 Amp controller for outstanding climbing ability. It offers a full LED lighting package, an adjustable tiller and a luxury high-back Captain's seat for maximum comfort when on the go, plus durable vibrant red color shrouds for a sporty look. With a 500 lb. weight capacity, 13" pneumatic tires, up to 32-mile operating range on optional 75 AH batteries, plus a water-resistant storage compartment that comes standard, the Golden Eagle offers everything you need to enjoy the great outdoors!
