WHEELCHAIR CONVERSION

All Terrain Conversions (ATC) passenger side-entry, new. The gull-wing door opens up and over to form a canopy, and a quiet single-motor hydraulic lift lowers the platform to the pavement in 20 to 25 seconds, all from one remote.

Powered side-entry lift on the passenger side. The RST also has 4WD and the 6.2L V8.

HIGHLIGHTS

- 6.2L V8 with strong acceleration and towing
- RST trim with sporty styling
- Black interior with red stitching
- Navigation and backup camera
- Bluetooth and SiriusXM
- Cruise control, automatic headlights
- Keyless entry, Sentry Key
- Powered side-entry lift
