WHEELCHAIR CONVERSION

BraunAbility pre-owned power in-floor ramp. The ramp slides out from beneath the floor, keeping the cabin clear and open. An automatic kneeling system lowers the van to reduce the ramp's incline, and the key fob opens the door, kneels the van, and deploys the ramp.

Full floor-cut design with a 54.5-inch usable doorway height and 59.5 inches of interior height. The original front-row seats can be removed to make room for a wheelchair.

HIGHLIGHTS

- 3.5L V6 with 10-speed automatic
- Elite trim: leather seating throughout
- Ventilated front seats and heated steering wheel
- 11-speaker premium audio, 8-inch display audio
